AALBORG UNIVERSITY
DENMARK

I wish to use this occasion to thank my Danish and international colleagues for their friendship and inspiration. In the morning, colleagues will discuss results from the European RAGE project: Hate speech and populist othering, which examined 'populist' political discourse in Europe. Results have been published in four books. Most recently: B. Siim, A. Krasteva and A. Saarinen (Eds.); *Citizens' Activism and Solidarity Movements: Contending with Populism* (2018). In the afternoon, I will give a lecture, which will be followed by a reception.
